

October 28, 2021

Dear Caledonia Community Schools family,

We are changing up the times of our curbside meal service. Starting November 1, free meals will be available for all students 18 & younger, and 26 and under with special needs **from 9:00 am - 9:30 am every Monday**. This is available to all school meal programs and childcare institutions across the country to continue serving healthy meals for the 2021-2022 school year.

If this time does not work out for your family, please contact our food service department at 616-891-0227 to schedule a time between 8 am and 3 pm (Monday-Friday) to pick up free meals for your family. **All meals can be picked up at Duncan Lake Middle School near the Tennis Courts.** Look for the white tent!

We hope this news helps more families take advantage of the free meals provided.

Sincerely,

CCS Administration
