Dear Caledonia Community Schools family,

We did it! We made it to the end of this turbulent year. We are excited to celebrate with families as we embark on this last day of school. We can't thank you enough for your patience and support throughout the year. Today we are sharing part two of the [celebration video](#) series we put together to highlight some of the great things that happened this year in our district. Our hope is that you celebrate with us the amazing stories our students and staff were able to accomplish during this challenging year. We wish you and your family a great summer and look forward to seeing everyone in the fall.
