Caledonia Community Schools Community:

Caledonia Community Schools would like to invite our community to the groundbreaking ceremony of our new Community Center. With the passage of the 2020 bond, we are able to create a new community center with a swimming pool and multi-use gymnasium. The center will bring students, families, and seniors together and encourage healthy lifestyles and ongoing learning. It will be a true asset for our entire community and we are excited to launch the start of this project.

[Groundbreaking Ceremony](#)

**Wednesday, October 27, 2021**

4:00 PM at 9757 Kraft Ave SE

If you plan to attend, please look for directional signage to assist with parking that is available at Duncan Lake Middle School or Holy Family Catholic Church. If you have any questions, feel free to email [bond2020@calschools.org](mailto:bond2020@calschools.org).

There is truly a bright future for our kids and community thanks to your continued support of Caledonia Community Schools. On behalf of all of us, THANK YOU for helping us with our quest of Cultivating Agile Learners!
