Caledonia Families,

Congratulations on making it through a challenging year. We commend you for your perseverance and hope you can enjoy your summer activities!

We also adapted to the changes this year and wanted to share a few things that CEF accomplished as well as some exciting things to look forward to!

We appreciate your support as we go back to our regular grant program next fall allowing district staff to apply for needed grant funds. Text GIVE2CEF to 1-877-678-1487 or go to www.caledoniacef.org.

Thank-you!
