Dear Caledonia Staff and Families:

As always one of our top priorities is to provide a safe and productive learning environment for all our students. Even with our efforts to keep classrooms cool and given the high temperatures anticipated to continue into the middle of this week, we will be adjusting the school day for Wednesday, August 26th and Thursday, August 27th to be half days. Students will attend school in the morning and will be released according to the half-day schedule as indicated below. All YMCA afterschool programming will be held at Duncan Lake Middle School for both Wednesday and Thursday.
