Medication Pick-Up

The end of the school year is quickly approaching! Caledonia Community Schools are unable to keep medication over the summer, this includes inhalers, Epi-pens, other emergency medications, and all over-the-counter (OTC) medication. **If your child has medication at school, please make arrangements to pick up your child's medication(s) before or on the last day of the school (May 31).** If you are unable to pick up the medication prior to school ending and need to make special arrangements to pick up the medications, please call the school prior to the end of the school year to make these arrangements. The school cannot allow your child to bring the medication home (unless noted on consent form as self-carry) or allow anyone but a parent/guardian to pick it up. Many of these medications are expensive and the school is required to dispose of any medication that is not picked up, so please make arrangements to pick up your child's medication as soon as possible. **All medications will be disposed of on Friday, June 7th.**

DLMS ATHLETICS

In order to participate on a school-sponsored sports team, your student-athlete must be registered on Final Forms. If you were registered for the 2022-23 school year, you will need to review your information and update as needed for the 2023-24 school year. You will also need to sign the forms for the 2023-24 school year. An updated athletic physical (signed and dated by the physician on or after 4/15/2023) will also need to be uploaded in order for your student-athlete to be cleared to try out and/or participate on school-sponsored teams.

Final Forms Registration

All student-athletes are required to be registered in our online athletic registration program. We are partnered with **FINALFORMS**, an online forms and data management service. **FINALFORMS** allows you to complete and sign athletic participation forms for your students online. The most exciting news is that **FINALFORMS** saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! You will review your information once per school year to verify the information is correct and sign the forms (if you have registered your athlete before). Using **FINALFORMS** is a one-stop-shop for the entire registration process. On the Athletics homepage, you will see a link for the "Parent Playbook" which gives you step by step instructions through the registration process. The registration link is: <https://caledonia-mi.finalforms.com>. Registration for all school sponsored athletic teams for the 2023-2024 school year will be open on June 5.

All athletes are also required to have a completed Athletic Physical uploaded on **FINALFORMS** as well. This physical needs to be completed, signed and dated by the physician on or after April 15, 2023.

PAID

Payment for athletics is not required until after the 1st scheduled competition. You will be notified by **FINALFORMS** when payment is due. At this point you will have 1 week to pay. If payment is not received within this 1 week window, your child will not be able to continue participating until payment is received.
