Dear Caledonia Community Schools families,

In an effort to better serve the families who are using bus transportation next year, we are asking families to "sign up for busing" this month. By signing up now, our transportation department will have a better understanding of who will be using district transportation next fall, which will allow for the most timely and efficient routes, thereby reducing student ride times on the bus.

It is important that you submit this "sign up" [form](#) no later than Tuesday, May 31, 2022. Please do not sign up for busing unless your student will regularly ride the bus. Should your transportation needs change at any time during the school year, simply use the "sign up" [form](#) for any changes or call our Transportation Department at (616) 891-0224.

Sincerely,

Matt Hess  
Executive Director of Operation & Transportation
