Caledonia Community Schools Community:

Caledonia Community Schools is applying to receive Elementary and Secondary School Emergency Relief (ESSER) funds to address learning recovery from the impact of COVID-19. These funds are designated for one-time or short-term expenditures to address the disproportionate impact of the pandemic specific to at-risk / disadvantaged students in our district defined as: low income, diverse racial & ethnic groups, English language learners, students with disabilities and homeless, migrant and foster care students.

The administration of Caledonia Community Schools is seeking feedback from district and community stakeholders to help determine how the district should best utilize these resources to address unfinished learning and ongoing COVID-19 recovery.
