Dear Caledonia School Community,

We are grateful for everyone who engaged in this year's school board election, demonstrating your commitment to the future of Caledonia Community Schools. We're pleased to welcome Shawn Collins and Jessica Kohn, who were selected by our community to join the Board of Education beginning in January 2025. They will be working with our returning members—John Brandow, Brittany Barber Garcia, Katie Isic, Tim Morris, and Jennifer Nichols—to help guide our district forward.

Caledonia Community Schools is thankful for the candidates who ran for the Board and for their desire to serve our students and school community. Strong community support builds outstanding schools, and we invite you to remain engaged as we build on our legacy of delivering an exceptional educational experience for all Caledonia students.

Sincerely,

CCS Administration
