Bricks 4 Kidz

Each class is a fun and educational LEGO-building adventure with Bricks4Kidz. We use age-appropriate models for different levels of building skill. This hands-on class explores STEAM concepts (Science, Technology, Engineering, Art, and Math) primarily using LEGO Bricks, in which children will develop problem-solving and critical-thinking skills in a fun and engaging way. Models will include both technic/motorized builds and mosaics!

JURASSIC BRICK LAND

Are you ready for the adventure of a lifetime? Put on your hiking boots and camouflage...you're about to enter Jurassic Brick Land! Students will build a world that comes to life with the giant Brontosaurus, ferocious Velociraptor, terrifying T. Rex, and more. We'll learn about amazing dinosaurs that lived during the Jurassic period, and other extinct, prehistoric animals that roamed the earth and swam the seas during that era. Show us your building skills using our specialized project kits! Come learn, build and play at Jurassic Brick Land class!
