A note from the Principals:

It is hard to believe we are already at the end of the 2023 - 2024 school year. The time really did go too fast, but we are so grateful for being able to be a small part of your lives.

We want to give a special welcome to Nate Walters who will be the Emmons Lake Principal, beginning on July 1, 2024. He is already endearing himself to the Emmons Lake Staff and we have no doubt that he will do an outstanding job. I know he looks forward to getting to know all of you and especially your awesome children.

Emmons Lake is an amazing place, full of people who really care about students. It has been so great to come back and be a part of the team, even if only for a few months. We will treasure the time that we shared and hold tight to the memories we made with students, parents and staff. Thank you for your support and for the work you do to help us create such a great school. We could not do it without wonderful parents like you.

Whether you travel this summer or enjoy things right around home, we hope you are safe and that your summer is full of sunshine, happy memories, and lots of time with family and friends.

Take good care!

[Math Card Games:](#)

Have you and your children been struggling to learn the math facts? The game of Math Card War is worth more than a thousand math drill worksheets, letting you build your children's calculating speed in a no-stress, no-test way.

Check out this link for more information: [Games](#)

[Children Need Fluency Models:](#)

Did you know that just by reading to your child, you are building your child's fluency? When you set the example by reading smoothly with emotion and enthusiasm, you are showing your child that reading is like talking. It flows with ease. Other ways to do this are to listen to audio books or attend library story times. To improve fluency, have your child read aloud to you and family members regularly.

If you need a break from dramatic read-alouds then visit Storyline Online. There you will find video recordings of popular stories read by famous actors. Check it out at www.storylineonline.net OR download the app on your tablet or phone.
