STAY CONNECTED

Paris Ridge Families,

What a short week we have had! Despite the cold and the snow, we've squeezed a lot of learning into these past two days. Whether watching our second graders working together to tackle three digit addition, seeing kindergarten practicing reading, or our upper elementary students discussing geology, students have been hard at work!

As a building we were recently nominated for another National Showcase Award through Capturing Kids' Hearts. We are eagerly awaiting the spring to hear if we are a winner. In the meantime, our building has looked through survey results from staff, students, and all of you, to continue to reflect and refine our processes. We are making a big push during this second half of the year to have students take on increased ownership in our classroom spaces. This will come in the form of students leading our morning meetings, more opportunities for classroom specific goals, and new ways of affirming one another.

Speaking of empowerment, earlier this year we removed a piece of playground equipment that was seeing wear. Next week, students will have the opportunity to vote on a replacement piece to fill that space. We are excited to see their thoughts and give them a chance to use their voice on something that benefits them each day. While our playground has been very well cared for, we will be doing some light renovations into the spring / summer to keep the space safe and looking great.

Have an amazing weekend!

Subject: Introducing the My Ride K-12 App for Bus Transportation Updates
December 4, 2024

Dear Caledonia Families,

We are excited to introduce the **My Ride K-12 app**, a new tool designed to improve communication between families and the CCS Transportation Department. This app provides a convenient way for parents and guardians to stay informed about their student's bus transportation.

With the **My Ride K-12 app**, you can securely access:

- Your student's assigned bus route and stop location.
- Scheduled pickup and drop-off times.
- Real-time updates about the bus's arrival each day.

The app is available for download on both [Apple](#) and [Android](#) devices. Families can also access the same information through the [My Ride K-12 website](#).

Resources to Help You Get Started

We've made getting started easy by providing helpful resources:

- [User Guide for My Ride K-12](#)
- [My Ride Support](#) (Tutorials & Guides)

If you have any questions or need additional assistance, please contact the **CCS Transportation Department** at **616-891-0224**.

For more information and links to download the app, visit the [Transportation section on the CCS website](#).

We're confident the My Ride K-12 app will make your family's bus transportation experience even smoother. Thank you for your continued partnership as we enhance services for our students.

Sincerely,

Michaellita Fortier
Director of Transportation
