

PRESCHOOL ART CLASS

FOR CHILDREN AGED 3-5 YEARS

April 24 - May 8

Thursdays from 11:30 - 1 p.m.

Coming from preschool? The first half hour is lunch time for kiddos who recently ended their school day. Bring a packed lunch. Art lessons will begin at noon.

This is designed as a parent or guardian assisted class. You and your preschooler will enjoy some creative time together as we learn about different art ideas and explore a wide range of fun art making approaches, all geared toward kindergarten readiness.
