following criteria: seniority, special education training and must not have selected a midday run for the first or second sub position.

12. The run selection will be considered finished when the last run is selected.

13. Any driver/bus aide on medical leave on run selection day may choose a run. Another senior driver may also select to drive that run in the absence of the driver on leave. The Director of Transportation will assign a temporary driver to drive the run that ends up vacant whether it is the medical leave driver's run or someone else.

14. Upon return of the driver/bus aide on medical leave, the senior driver/aide who may have opted to drive/aide that run will be assigned to the run that was occupied by the temporary driver/aide.

15. If the same driver/bus aide in (A.12) requests and is granted a medical leave in succeeding years, he/she will be assigned the last run available on run selection day for that year still on medical leave, and limited to a one (1) year extension.

1. Special Education drivers are required to notify the Transportation Director when a student is absent for four (4) consecutive days.

### C. Extra Trips

Extra trips are defined as special trips authorized by the Director of Transportation. All seniority drivers will be given the opportunity to drive extra trips before they are offered to substitute drivers. Trips will be offered in rotation according to seniority. There will be no switching or exchange of trips between drivers. No extra trips may be selected, without supervisor approval that will put the driver into an overtime situation beyond forty (40) hours per week. The forty (40) hour limit is applied to the total of the regular runs plus extra trips, training, drug testing, mail runs, etc.

1. Any driver who has an extra trip that is canceled one (1) hour or less before time of departure will be paid that first (1st) hour of driving time. A minimum of four (4) hours will be paid for trips on Saturday and Sunday. Drop off only is a minimum of two (2) hours.

- a) Drivers who fail to meet the forty eight (48) hour notification requirement will be removed from the trip rotation for a period of (1) one week for the first and second occurrence of failure to notify. The third failure to notify will result in the removal from the trip rotation for the remainder of the school year.

4. Trips are awarded by rotation. Once a driver accepts a trip, he/she may not accept another trip for the same day if the two conflict.

5. When going on a day trip of four (4) hours or more, over breakfast or lunch hour, the driver will receive up to \$7.50 for their meal. When on an evening trip of three (3) hours or more, over the

dinner hour, the driver will receive up to \$10.00 for their meal. The driver must turn in a separate meal receipt for each meal to be reimbursed.

(c) Night Trips- are those trips which do not conflict with an existing run and /or go out after 4:45 pm, or that are scheduled for "no school days", or ½ days with the garage time of 1:00 pm. Holidays, such as Memorial Day, are also bid as a night trip.

(d) Early Trips – Early Trips are trips with a leave time after midnight and would potentially conflict with an existing run and/or go out before 4:45 PM. Selection of Early Trips will be done by rotation. Driver "A" the first week, driver "B" the second week, driver "C" the third week and so on. The driver after the last driver to pick in the spring will be the first driver to pick in the fall. A driver who gets a trip canceled in this category will not get a cancellation trip.

D. Conflicting Trips

1. An early trip is a trip that could conflict with an existing run. In selecting an early trip, a driver understands that, due to the unpredictability of length of such trips, there may be a loss of pay over his/her regular runs.
